

# 'It's all York' Promotional Film

## Stakeholder Pack

As a gift to the city, York BID and partners have commissioned a short film entitled 'It's All York' to promote York's commercial offering, showcase some of its exciting future developments and support efforts to attract essential new investment to the city. Stakeholders are encouraged to utilise this pack and share the film amongst their networks.

Links to the film can be found below. You can download a high-resolution file direct from the Vimeo link (look for the arrow in the bottom right-hand corner of the page).
